

**CREATION: *Where did
Everything Come From
and how did it get Here?***

What Does the Bible say and not say About Creation?

- *God created the heavens and the Earth.*
- *When God created the heavens and the Earth, He began by creating something out of nothing.*
- *After God finished creating all matter, He fashioned everything that exists in a loving, orderly & purposeful way.*
- *How God fashioned the heavens and the earth is often debated.*

IS THERE ROOM FOR MORE THAN ONE POINT OF VIEW?

- *Day Age Theory*
- *Gap Theory*
- *Young Earth Creationism*
- *Historic Creationism*

WHY IS THIS IMPORTANT?

- *We are not the product of some process of random mutations and natural selection!*
- *We can connect with our Creator and Worship!*
