

CHURCH: What's it all About?

*What are your hopes and dreams
for being here? What do you want
to see God do in/through your
life?*

Indicators of a Healthy Church

- *People were in awe of the Gospel.*
- *People devoted themselves to Christ's teaching.*
- *People devoted themselves to one another.*
- *People devoted themselves to worship.*

But Martin, Over Time, the Simplicity is Lost and “Church” Becomes More Complicated and Messy!

- *Awe becomes obligation.*
- *Hunger becomes ho-hum.*
- *People become problems.*
- *Worship becomes wearisome.*
