

When we Find Ourselves in These Places, we Need Wisdom!

- *We all need wisdom whether we know it or not.*
- *Wisdom will be given to those who ask with persistence and determination.*
 - *What are you doing in me?*
 - *What are you doing through me?*
 - *Is there something you're preparing me for?*
- *Wisdom will be given without criticism and condemnation.*

Divided Hearts Will Always Make our Situations Worse!

- *Hearts will be unsettled.*
- *Prayers will be unanswered.*
- *Life will be unstable.*
