Wholehearted Generosity
Matthew 6:2–4

Everyone Admires a Generous Person

- A generous person reminds me that my life is about something more than satisfying my own needs and desires.
- We are made in the image of a generous God.
- A generous heart is easily corrupted.

Wholehearted Generosity...

- It flows out of a heart that has had an encounter with Jesus.
- It moves my heart toward wholehearted dependence on Jesus.
- It learns to be content with the outcomes from Jesus.
- It excites the heart of our Father.
