Wholehearted Prayer — Part 3  
Matthew 6:5-14

# Our Father Wants Us to Thrive

- My Father's Kingdom ignites my imagination and calls to my heart.
- My Father's Kingdom redefines my identity.
- My Father's Kingdom reshapes my priorities.

# Our Father Wants Us to Thrive

“Daily life becomes a discipline of asking how one may move more squarely into the realm of God’s reign and how one may welcome and receive it into the fabric of one’s life this day more than ever before. Here as well one can find a more focused way of living together as the community of Christ.”

# Our Father Wants Us to Thrive

- My Father's Kingdom redefines my identity.
- My Father's Kingdom reshapes my priorities.
- My Father's Kingdom becomes an experience of hope for all people.

# Our Father Wants Us to Thrive

“We only pray this prayer for the church if we are prepared to mean it: make us Kingdom-bearers! Make us a community of healed healers; make us a retuned orchestra to play the Kingdom-music until the world takes up the song. Make us, in turn, servants of the Lord, the few with the message for the many.”
