Learning to Listen

James 1:19-20

Every Relationship will be Tested

James 1:19

**My dear brothers, take note of this:
Everyone should be quick to listen**

Every Relationship will be Tested

- Be quick to listen
There is an eagerness
There is a calmness

Every Relationship will be Tested

**Why is listening such an urgent priority
for healthy community?**

Every Relationship will be Tested

Why is listening so difficult?

Every Relationship will be Tested

What do you need before you feel
heard, known, and loved?

Every Relationship will be Tested

- Be quick to listen
- Be slow to speak
- Be slow to become angry
