*Everyone Has a Story,  
So Be Ready to Listen*

# Everyone Has a Story

A person is standing on a paved surface, holding a brown suitcase. The person is wearing a patterned scarf, dark leggings, and tan boots. The background is a blurred outdoor setting.

- ***Telling our story can be a sacred bonding experience.***
- ***Telling our story can be a terrifying experience.***

# Jesus Knows Our Story

A person is standing on a paved surface, holding a brown suitcase. The person is wearing a patterned scarf, dark pants, and tan boots. The background is a blurred outdoor setting.

- *Listening to our stories is important to Jesus.*
- *Jesus engages our stories with honesty, dignity, and hopefulness. (John 4:1-18; 8:2-11).*
- *Our story is our past, but it doesn't need to be our future.*

# Everyone Has a Story, So Be Ready to Listen

- *Listen to their story.*
- *Listen to our Father.*
- *Both are sacred.*
